INTELLISAND

CAST IRON BODY

**Awarded 5/5 Stars from
Wood Magazine and Editor's Pick
from American Woodworker!**

EXCEPTIONAL SUPERMAX FEATURES

- **INTELLISAND** Technology: Automatically adjusts conveyor speed based on load.
- Drum will never go "out of alignment." The drum carriage is bolted to the base, preventing any movement or alignment issues.
- Flatness Guarantee: Precision-flattened steel conveyor bed reinforced with four steel cross sections for no "flex" in conveyor, guaranteeing flatness to less than .010" across the width of the sander.
- Abrasive conveyor belt offers the best grip for raw wood, giving you the ability to accommodate stock that is much shorter or thinner.
- Patented Abrasive Attachment System effectively tensions the abrasive wraps, preventing loose abrasive and overlap.
- Easiest access to abrasive fastening system of any drum sander! Extra wide space to access fasteners to eliminate need for special tools.

INTELLISAND CONTROL
